

BROMPTON

Jan-10 T Bag ds

T Bag

This luggage item is NOT suitable for use with a Brompton S-type model.

It is DANGEROUS to use it on an S-type, as it interferes with the steering.

Stowing the shoulder strap

The T Bag comes with a clip on shoulder strap. This should be unclipped and stored inside the bag when fitted to the bike so there is no risk of loose material snagging.

For safe use it is essential that the strap is removed when the bag is fitted to the bike
